

THE ABNEY FOUNDATION

Colleges and Universities

Higher education is the primary focus of The Abney Foundation. We are proud to have Abney Foundation Scholarship endowments at fourteen colleges and universities across the state of South Carolina. Over \$27,000,000 has been awarded to 12,865 Abney Scholars, including 568 students for the academic year 2013-14. The combined endowment balances exceed \$38,475,000.

The Abney Foundation makes grants to fund these endowments; however the schools administer the scholarship programs themselves.

You may contact the financial aid department at the school you're interested in to see if you qualify.

Below is a list of schools that have Abney Foundation Scholarship programs:

- Clemson University
- University of South Carolina
- Converse College
- Voorhees College
- Furman University
- Wofford College
- Anderson University
- Lander University
- Benedict College
- Medical University of South Carolina
- The Citadel
- Presbyterian College
- Claflin University
- Tri-County Technical College
